

PARTY LIKE ITS

I JUST LOVE IT WHEN
SOMETHING DOES EXACTLY
WHAT IT SAYS ON THE TIN.

1999

Its always a risk choosing what you will do on December 31st the most overrated night out of your entire year. So when we came across an advert that promised that we were gonna party like its 1999 we were in. So it came to pass that Ne Love said goodbye to 2016 at the Boiler Shop's NYE party. They promised live music, disco dancing and champagne, we got that... we also got a proper countdown to 2017, to hold hands with complete strangers whilst singing Auld lang syne at the top of our voices, hugs kisses and well wishes everywhere amongst streamers and glitter falling from the ceiling like it was the end of world war two. Hello..... someone knows how to throw a party, maybe, just maybe this is exactly what's been missing!! ●
