caused by the negligence of the Venue Provider). You also agree to:

- abide by all government guidance aimed at preventing the transmission of the virus (further details of which can be accessed via the following link: <https://www.gov.uk/coronavirus>); and
- follow all directions provided by staff members and set out on the signage within the Venue.

You must not enter the Venue if you believe that you may have been infected with Covid-19. By entering the Venue, you are confirming your agreement to the above terms

and the following additional matters:

at the time of the event]

b) the Venue Provider has put in place preventative measures at the Venue to reduce

the spread of Covid-19

b) you have not travelled internationally within the last fourteen days

c) no-one in your household or your support bubble (as defined [here](#) and if applicable to you) ("bubble") (including you) has returned to the UK in the last fourteen days from a country which is on the government's 'red list travel ban countries', details of which can be found [here](#).

d) no-one in your household or your bubble (including you) has been in contact in the last fourteen days with colleagues, family or friends who have returned from one of those countries or have been in contact with anyone during that period who has been diagnosed with Covid-19

e) you do not believe you have been exposed to someone with a suspected and/or confirmed case of Covid-19

f) you have not been diagnosed with Covid-19 and are not awaiting the results of a test from a public health authority or private laboratory which might confirm you are infected

g) you are following all government guidelines as much as possible and limiting your exposure to Covid-19

h) you will not seek to bring a claim against the Venue Provider in the event that you contract Covid-19 unless you have reasonable grounds to believe the Venue Provider was responsible for its contraction through its own negligent act or omission.
